OBJECTIVE

As a dedicated and skilled Full Stack Web Developer with extensive experience in building dynamic and responsive web applications, I seek to leverage my expertise in React.js, Next.js, Node.js, and MySQL to contribute to innovative projects and drive technological advancement within a forward-thinking organization. I am committed to continuous learning and development, aiming to enhance user experiences and deliver high-quality, scalable solutions.

PROFESSIONAL EXPERIENCE

Frontend Developer

2024 – present

DataCraftPro 📁

Airoli

Assisted in building a government website using React.js and Node.js. Added analytical functionality, pagination, and other features to enhance their PMS website. Improved the dashboard using my frontend skills.

Full Stack Web Developer

2022 – 2024

AIBI Streets PVT LTD 📁

Airoli

Developed an e-commerce website using Next.js for the frontend, Node.js for the backend, and MySQL as the database. Implemented a virtual shop concept where vendors can create their shops and sell products.

PROJECTS
